# a favourite for everyone

## COFFEE

From Sumatra to Kenya, Colombia to Costa Rica and beyond, we carefully source our wide range of high quality Arabica and Robusta coffee beans from growers and master roasters around the world including from certified sustainable sources.

## TEA

The key to perfect tea is sourcing exactly the right part of the leaf. So naturally we only use leaves sourced from some of the most plentiful, fertile growing regions in the world. Whether you choose an invigorating and refreshing herbal infusion or a distinctive black tea, our tea selection has something to suit everyone.

## SPECIALITIES

Will it be a frothy Cappuccino, Chocolate Latte or maybe a Mochaccino? The best part of the FLAVIA speciality range is that each hot drink is tailored to your tastes. Why not try our Mars® Swirl for an indulgent caramel twist.

## CHOCOLATE

Enjoy a little luxury and indulge in our GALAXY® hot chocolate. Carefully blended and made with real GALAXY® chocolate, the fastest growing chocolate brand from Mars inc it truly is an indulgent taste sensation.
